anicom
アニコム損害保険株式会社

Our goal is to be a preventive insurance company that reduces tears and creates smiles.

anicomSAFE
アニコム パフェ株式会社

We support the healthy lives of animals and people through animal hospital and owner support.

anicom medical
アニコム先進医療研究所株式会社

Bringing a brighter future to animal medicine through research and clinical practice.

SIMNET

Through the WEB, we deliver "change and happiness."

Flowens

We aim to achieve next-generation breeding operations, grounded in environmental enrichment for each dog.

〈Non-life Insurance Business〉

Anicom's pet insurance can be used in the same way as medical insurance for people, through its "over-the-counter payment system." Anicom's insurance benefit is automatically applied at the time of check out. Anicom's policy holders simply present their Anicom insurance card and pay the difference. No paperwork.

〈Animal Hospital Support Business〉

We have developed and sell "Ani-Rece Cloud (anicom receptor cloud)," a medical record management system for animal hospitals. This system also provides various services for pet owners and researchers.

〈Clinical and research projects in the field of animal medical care〉

We are engaged in the promotion of basic research in the field of animal medical care, the establishment of medical treatment methods based on scientific evidence, and clinical trials for the development of advanced medical care.

〈Planning, development and operation of online services related to pets〉

We are a company that plans, develops, and operates online services related to pets. Among these services is "Minna no Breeder," a website that supports the matching of breeders and customers. "Minna no Breeder" is one of the largest of its kind in Japan.

〈Breeding Business〉

We conduct breeding operations with a focus on providing the dogs with "environmental enrichment," ensuring that they can enjoy life. The dogs are given spacious areas for play, interaction with people and great food to enjoy.
